## GRAVE

(Unintentionally omitted last week.)

A. A. Porter has shipped a car load of hay.

E. M. Light visited Grants Pass last Monday.

School is progressing very nicely, 15 pupils being enrolled.

C. H. Bean of Grave made Grants Pass a visit last Sunday.

Miss Adah Light made Leland a business trip last Monday evening.

Miss Pearl Lewis was the guest of Miss Clorrah Light last Monday evening.

Mrs. A. Oggler and her daughter, Miss Margaret were guests of Mrs. Lydia Johnston last Sunday.

Messrs. Clarence Farleigh and Hank Phillips, two of Leland's mill boys, visited Grave last Saturday.

Cale Corder and two children have returned from Umatilla, Oregon. We are all glad to see them back again.

The Grave school has organized a literary club and on Friday, September 14, the members of the club will give a reading contest.

A very pleasant time was spent at Hotel De Duncan last Sunday afternoon, quite a number being present. Some enjoyed themselves with a melon contest, Miss Pearl Lewis being champion melon eater, while others entertained themselves with singing and instrumental music.

FARMERS.

## W. C. T. U. COLUMN.

All matter for this column is supplied by the Josephine County Woman's Christian Temperance Union, Y. and L. T. L. Branches.

Red Letter Day, September 28, "Children's Harvest Home." The birthday of Frances E. Willard. World's Convention, Boston, Mass., October 17-23, 1906.

National Convention, Hartford, Conn., October 26-31, 1906. State convention Newberg, Oregon, October 1-4, 1906.

Merlin, Wilderville, and Grants Pass are to elect delegates to the State Convention. Merlin Union holds its annual meeting September 19. Wilderville reports to the county president a very pleasant and interesting meeting since county convention.

Grants Pass Union held a business meeting September 12 at the home of Mrs. Calvert. A communication from Mrs. Shane, State Treasurer, informs us that dues to the State will be received till September 28. Membership contest will close September 26, when all names must be reported and admission fees paid. They who secure five names (paid) are to receive a W. C. T. U. pin. Mrs. Calvert has already reported the number and is entitled to a pin. Others are busy and will succeed before the close of contest. "We work to win."

September 13, Signal is filled with L. T. L. news.

In Miss Anna Gordon's letter we are told "The Loyal Temperance Legion with its 500,000 followers is represented in the countries of Australasia—including Victoria, Queensland, Tasmania, West Australia, South Australia and New South Wales, Great Britain, Burma, Bermuda, Buglaria, Canada, Chili, China, Cuba, Cape Colony, Finland, South Africa, Iceland, India, Japan, Madagascar, Mexico, Norway, New Zealand, Sierra Leone, Panama, Uruguay and the United States."

The belief is growing on the continent and in many lands that intelligent, enthusiastic training of children and young people in the principles

and methods of work of the Woman's Christian Temperance Union must always go hand in hand with scientific temperance instruction. World's L. T. L. motto—"We will help lift the world to the Light."

Herbert C. Shattuck of Ithaca, N. Y., gives a brief letter of his 16,000 mile journey for The Legion, July, 1905, to July, 1906, had been sent in L. T. L. work. Two months were spent in Oregon, visited 29 towns and gave 104 addresses. More than 10,000 people were reached and 17 new legions organized.

Y NEWS.

Mrs. Caroline R. Humphrey, Michigan state superintendent of the Scientific Temperance Instruction department, has been for years secretary and treasurer of the "Haviland Y" in the Industrial Home for Girls at Adrian, Michigan. This Y is a most interesting organization, just now numbering 263. District and state dues for 60 have been paid this year, and money earned by the sale of fancy work made by the Y's. When a girl leaves the home she goes with the white ribbon on her breast and a large per cent remain true to their pledge.

There are eight cottages on the grounds, each with its vice-president and secretary. Y meetings are monthly. Mrs. Humphrey recently delivered an interesting address before the Adrian union on the life and work of Lady Henry Somerset. It was "fresh air mission day" and the speaker dwelt inspiringly upon Lady Henry's wonderful work at Duxhurst.

Special meeting of W. C. T. U. will be held Wednesday afternoon, September 26, place announced from pulpit. Prayer meeting, led by Mrs. Cowdrey.

If It's a Reputation

you are after, White's Cream Vermifuge has a world wide reputation as the best of all worm destroyers, and for its tonic influence on weak and unthrifty children. It improves their digestion and assimilation of their food, strengthens their nervous system and restores them to health and vigor natural to a child. If you want a healthy, happy child get a bottle of White's Cream Vermifuge. For sale by National Drug Co. and Rotermund.

## SOMETIMES IT DOES!

A Hearty Meal Should Never Annoy or Distress.

A hearty meal should give a sense of gratification and comfort. It should never annoy or distress. If you have indigestion and discomfort after eating, it shows that your digestive organs are weakened and they cannot properly care for the food which has been swallowed. If you cannot eat and digest with pleasure and comfort three good square, hearty meals each day, you need to use Mi-o-na stomach tablets, and you should go to Rotermund for a box at once.

Mi-o-na is as unlike the ordinary peppin digestive tablet as the electric light is more valuable than a tallow dip. Mi-o-na cures indigestion or stomach trouble by strengthening and regulating the whole digestive system, thus enabling the organs to take care of the food you eat without any distress or discomfort.

Use Mi-o-na for a few days and the nervousness, sleeplessness, general debility and weakness, backache, loss of appetite, headache and other ills that are caused by indigestion will be banished and you will feel well all over.

Mi-o-na makes positive and lasting cures and is sold under an absolute guarantee that the money will be refunded unless the remedy cures. Ask Rotermund to show you the guarantee he gives with every 50c box of Mi-o-na.

Wide Awake Farmers.

During the present season there will be ten different stone macadam roads built near Decatur, Ind., says Motor News. The county auditor's office has been flooded with road petitions since early in January. It seems as though the farmers in this county are determined to do their share, as some of them have affixed their signatures to several different petitions.

She Found Relief.

If you are troubled with liver complaint and have not received help read this. Mrs. Mary E. Hammond, Moody, Texas: "I was in poor health—with liver trouble—for over a year. Doctors did me no good and I tried Herbine, and three bottles cured me. I can't say too much for Herbine, as it is a wonderful liver medicine. I always have it in the house. Publish where you wish." For sale by National Drug Co. and H. A. Rotermund.
